

Duckett Fishing Warranty Form

In striving to build the best rod on the market, your feedback is important. Please give a detailed description of how, and exactly where, the damage occurred on the rod:

Did you purchase this rod/reel within the last year? Yes ___ No ___

Do you have the original cash register receipt? Yes ___ No ___

**** You must include a copy of your receipt, or you will incur the following fees. There are no exceptions without receipt. This is the only way we can date the rod in keeping with the warranty time frame ****

Tips 7 guides are not covered under warranty. If you are needing tip or guide repair, please see our list of authorized repair centers on the website or call us for replacement tips or guides @ 256-582-3999 ext. 305

**** The first year of the warranty period is a defect period. After the first year, you will incur the following replacement fees. You do not need to include copy of receipt if rod is past the first-year defect period. Fees will automatically be incurred.**

**** Within the first year, and copy of receipt included, your only fee will be the \$25.00 return shipping fee. This fee is per package, NOT per rod. ****

You will need to take a hacksaw, or Dremel tool, and physically cut this section out of the rod blank out. Send this portion only, not the whole rod. Warranties cannot be processed until this section is in house. It must come in with the package. Pictures of this section are not acceptable. Please allow 7 to 10 days, after your claim has been received, for processing and return of replacements.
